Paraprofessional Training & Certification

The ParaPro certification is for those who desire a position as an instructional assistant, translator, or substitute in an elementary, middle, or high school. The exam consists of 90 multiple choice questions that cover reading, math, and writing. The test focuses on basic skills in each of these areas and also has questions about how to use those skills in the classroom. Applicants will need a high school diploma to apply for a position in a school, but it's not required to take the certifications exam.

Requirements: 18 years of age, US High School Diploma or HSED, work permit or SS #, clean criminal background.
